Summer Vacation Homework

FOR CLASS -5

1. Compare an Indian and International place value chart using any 9-digit number like 9 lakh = 900 thousand on any loose paper or drawing sheet.
2. Solve Chapter 1 Revision Exercise-1.1 and Exercise-1.2 on page 5 and 6 in Maths homework notebook.
3. A former student of a school wants to donate some money which is of 8-digits and formed by 3, 1, 0, 4, 7, 5, 6, 2. She asked you to suggest the money. What amount will you suggest her to donate and why? Write the number name in International system. Do it in your Maths homework notebook.
4. Prepare a wall hanging of different shapes like circle, pentagon, rectangle, square and triangle using waste material available at home.

1. Reading trains your imagination to think big.
Read comprehension on Page no. 157 and attempt the exercise with pencil on Page no. 158 of Grammar book.
2. **Slogan**- On a coloured sheet/chart prepare a slogan for COVID-19 and write 15 lines of your experience about quarantine on a ruled sheet and attach it with the slogan.
3. **Nouns** - Take a ruled sheet and divide it into four columns specifying each type of noun. In each column choose and write 10 words/things of each type of noun from your surrounding.

1. Search the information about any two Natural Disasters. Write the cause of those disasters along with the information on A 4 size paper or any ruled paper available.
2. Revise Chapter-1 : Reproduction in Plants and grow atleast two seedless plants to show Vegetative Reproduction like Potato, Mint, Rose etc.

Record the observation by writing it on A4 size paper or any ruled paper available.

1. Make an interesting report by revising the continents and write an article about any one continent for a travel magazine on A4 size paper or any ruled sheet.
2. Refer the internet and try to find the location of the cities given below and note their exact grid position :: Mumbai, New Delhi, Kolkata, Chennai, Jaipur, Agra and Nagpur.

eg. On searching Mumbai's grid position on Google you will get to know about Latitude (18.96 degree N) and Longitude (72.82 degree E).
